Ravi Vishnoi

IT Security & Network Security Consultant

ravivishnoi57@gmail.com | +91 7240723262 | www.linkedin.com/in/ravivishnoi | github.com/RaviVishnoi | Jaipur, Rajasthan

SUMMARY

IT Security and Network Security Consultant with 3+ years of experience across vulnerability assessment, network defense, ERP system support, and digital forensics. Proven track record in conducting internal VAPT, verifying firewall policies, hardening system configurations, and analyzing security incidents. Adept at using industry-standard tools (Nmap, Nessus, Cellebrite, EnCase, Wireshark) to evaluate risks and enforce strong organizational security postures.

PROFESSIONAL EXPERIENCE

JECRC University, *IT Security & Network Security Consultant* 01/2025 – Present | Jaipur, Rajasthan

- Conducted internal Vulnerability Assessment and Penetration Testing (VAPT) across servers and network assets using Nessus and Nmap; documented vulnerabilities with risk scores and remediation steps.
- Supported firewall policy verification, secure access controls, and network security operations across campus-wide IT infrastructure.
- Collaborated with infrastructure and DevOps teams to execute CIS-benchmark system hardening and secure baseline configurations.
- Monitored endpoint telemetry and security logs to detect unauthorized access attempts and security anomalies.
- Developed, maintained, and secured internal web portals and ERP infrastructure, providing access management and technical support.

CADD Centre Training Services, *Cyber Security Trainer* 07/2024 – 08/2024 | Jaipur, Rajasthan

- Delivered professional cybersecurity training sessions at R-CAT Jaipur, conducting theoretical and hands-on laboratory modules for students and professionals.
- Designed practical labs covering penetration testing basics, ethical hacking techniques, packet inspection, and network security protocols.

TrojanByte Labs Private Limited, *Digital Forensic Investigator* 12/2023 – 06/2024 | Remote

- Conducted forensic acquisition, write-blocking, and imaging using hardware appliances including Tableau Forensic Bridges and Falcon-NEO2.
- Extracted and recovered deleted file artifacts, registry hives, and event logs from storage media (HDDs, SSDs, USB drives) maintaining chain of custody.
- Assisted in forensic triage and evidence examination to identify unauthorized intrusion vectors and suspicious file modifications.

Softech Multi Services, *Software & IT Support Executive (PMMVY)* 03/2022 – 08/2022 | India

- Managed system maintenance, network troubleshooting, and technical user support to ensure high availability of operational services.
- Resolved user hardware, OS, and application issues while collaborating with cross-functional teams to streamline digital workflows.

SKILLS

Cybersecurity & VAPT: Vulnerability Assessment & Penetration Testing (VAPT), Network Security Auditing, Firewall Configuration Verification, System Hardening, Endpoint Security Monitoring, Security Incident Response.

Digital Forensics & Incident Response: Digital Evidence Acquisition, Chain of Custody, Disk Imaging, Memory & Log Forensics, Deleted Data Recovery, Artifact Analysis, Timeline Reconstruction.

Motion Graphics & Visual Design: 2D/3D Motion Design, UI Interactive Animations, Visual FX, Kinetic Typography, Video Production, Explainer Visuals, Brand Design.

Web & Programming: HTML5, CSS3, JavaScript, React, Tailwind CSS, PHP, SQL/MySQL, REST APIs, Secure Coding Practices, ERP Portal Maintenance.

TOOLS

Security & VAPT — Nmap, Nessus, Metasploit Framework, Burp Suite, Kali Linux

Digital Forensics — Cellebrite UFED, EnCase, FTK Imager, Autopsy, Oxygen Forensics, MSAB XRY, DVR Examiner

Motion Graphics & Design — Adobe After Effects, Premiere Pro, Figma, Framer Motion, Blender, Photoshop, Illustrator

Network Analysis & Hardware — Wireshark, Splunk, TCPdump, Tableau Forensic Bridges (TX1/T8u), Falcon-NEO 2

EDUCATION

Master of Computer Applications (MCA) — Cyber Security 2022 – 2024 | Jaipur, Rajasthan
JECRC University

Bachelor of Computer Applications (BCA) 2018 – 2021 | Rajasthan
Aishwarya College of Education
